In the first half of 2025 (January - June), ASN provided support to **856 unique clients**, resulting in total of 15,300 services touchpoints across housing, employment, legal & immigration assistance, healthcare navigation, case management, food-aid, mutual-aid, Driver-Ed, ESOL, and diverse Educational Programs for children, youth and adults. ASN facilitated \$109,053 in direct support and \$544,929 (combined total \$653,982) in housing and rental assistance, helping 338 households & families secure stable living conditions, while 79 job placements contributed to economic empowerment within the Afghan-American community. ASN's English (ESOL) Program has 113 students with 64 monthly classes, while our cultural events has had combined 3,180 participants. ASN's HRSN (Health Related Social Needs) program in Salem was also launched serving over 25 households and expanding our scope of services and operation with possible expansions to Greater Portland Metro area. As our team grows, we remain committed to launching major new Youth, Cultural, Sports, early-learning initiatives and strengthening support for Afghan-American & broader Oregonian community in the weeks and months ahead.
